

# Happy Holidays

*T*is the Holiday season, and with it has come the frantic search for that perfect present for family and friends. For decades, the Thomas Nygard Gallery has fulfilled that search by providing both beginning and established collectors with countless surprises and fond memories in the form of fine historic artwork. The gift of art is one that keeps giving, not only day after day, but generation after generation. This holiday season consider giving a gift of a lifetime from the Thomas Nygard Gallery.
